Business Development Manager - Europe
ADCO Roofing Products

ADCO Products Inc., a leading manufacturer of commercial roofing adhesives, sealants, and tapes has announced the hiring of **Olivier Denis** as Business Development Manager for **ADCO Roofing Products** for Europe. Based in Brussels, he will focus on the main continent of Europe by providing support and services to roofing system manufacturers, distributors, contractors, specifiers and building owners as well as current distribution partners.

Olivier brings extensive sales and applications experience from Isover Saint-Gobain (French Group) and most recently Firestone covering several European areas.

For more information on **ADCO** and our contractor friendly VOC-free, cold applied commercial roofing adhesives, call 1+517-764-0334 or visit www.adcocorp.com.
