March 25, 2010

Senior Manufacturing Manager
ADCO Products, Inc.

ADCO Products Inc., a leading manufacturer of tape, adhesive, and sealant products for the construction, commercial roofing and transportation markets has announced the hiring of **Don Zirkelbach** as Senior Manufacturing Manager for **ADCO's Michigan Center, Michigan** facility. He will lead the manufacturing group in continued progress in safety performance, driving continuous improvement in product quality and the efficiency of our processes.

Don brings over thirty years of manufacturing, engineering and project management experience with Johns Manville and most recently with Von Roll Holding AG with management responsibilities for their North American operations.

For more information on **ADCO** and our user friendly tapes, adhesives and sealants products, call 800-248-4010 or visit www.adcocorp.com.
